

Yes! Zero cost for recycling

Total control by us, piece of mind for you.

Data security and legal waste compliance are some of the most important issues facing education facilities today.

All waste electronics received into us will be fully recycled in Kent back into raw material with the computer hard drives being chipped to approximate 30mm sections.**

Waste Transfer Notes will be issued for every collection.

**For your own peace of mind and legal responsibilities you should destroy data in line with your own data policies prior to disposing of any data bearing IT equipment.

Free recycling of all old electrical and IT equipment for schools, colleges and universities. This includes both your CRT and flat screen monitors.

Take the opportunity to clear out your old electrical and IT items, no matter how large or small, and have them securely and responsibly recycled at our Approved Authorised Treatment Facility (AATF) in Sittingbourne, Kent. There are no minimum quantities or specifications and your items do not need to be in working order. All you need to do is choose from the paid collection service, whereby the transport costs are paid by yourself or you can deliver * free of charge.

Most waste electronics can be recycled for free, there may be charges for some hazardous items, such as lamps (£0.65 ea), batteries (£0.95 per kg), smoke alarms (if radioactive £15.00 ea), white boards (£10.00 ea), domestic refrigeration units (£40.00 ea), and commercial refrigeration fridges with are priced on application depending on size and type. Hazardous items are subject to a hazardous waste paperwork charge of £20.00.

Raising the profile of WEEE as a new waste stream is our passion. Please visit www.sweepkuusakoski.co.uk/resources to view and use our recycling videos. For further information please contact: recycle@sweep.co.uk

*If you wish to deliver into our facility, you will need to obtain a Waste Carriers Licence and provide us with the number and expiry date. Registration is usually free if you are only transporting waste you have produced yourselves. You can register at www.gov.uk/waste-carrier-or-broker-registration.
